John F. Kennedy High School

Cheektowaga, New York

With the rising growth of "school spirit" shown by the students at the John F. Kennedy High School, the 1968 Forum sees it appropriate to adopt the word SPIRIT as the theme for their yearbook. The Forum will illustrate as best it can the numerous meanings of the word SPIRIT as it has been exhibited by the faculty and student body of our school.

Theme

Defined by Mr. Webster, the word SPIRIT means disposition, mood, or enthusiastic loyalty.

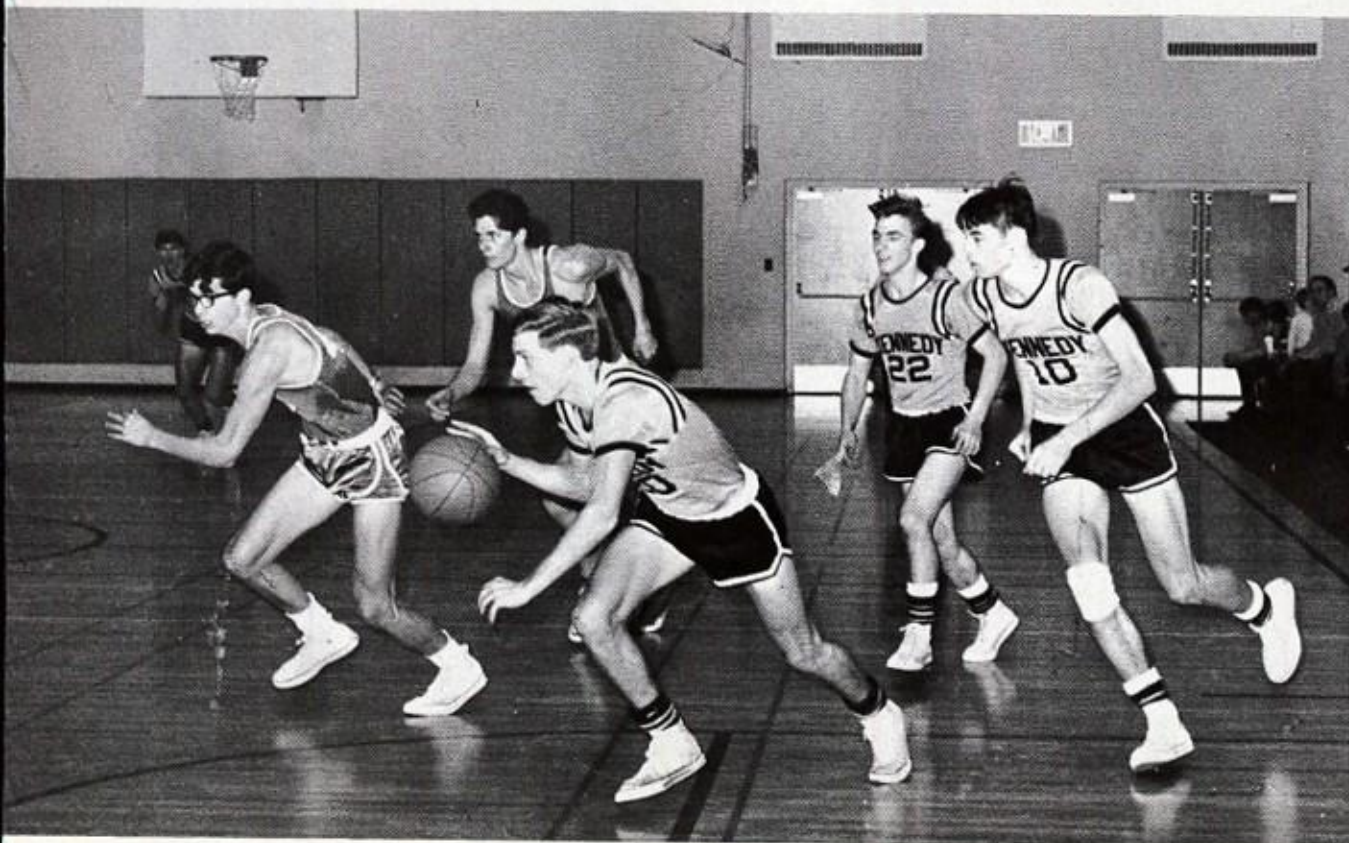

All of these meanings are traits which make a school great, or make a great school greater. The students and faculty of John F. Kennedy display their SPIRIT in many ways and they are the ones who are responsible for making our school what it is today, a school of SPIRIT.

A seed has been planted in our school, the seed of SPIRIT shall keep growing and spreading throughout our school for many years to come.

Spirit

Forum Honors Miss Genevieve Coyne

The Senior Class of 1968 would like to show their admiration and gratitude to a deserving faculty member of the John F. Kennedy High School. Therefore, we dedicate the 1968 Forum to Miss Genevieve Coyne. She has served this school system for numerous years and the contri-

butions she made in the past to help this year's Senior Class are greatly appreciated. The 1968 Forum honors Miss Coyne and would like to thank her for her loyal service and devotion to all her students — past, present, and future — at John F. Kennedy High School.

To The Class of 1968

Education is the backbone of a community. As students, you have been busy expanding your talents, preparing to take your place in society.

Now, as your senior years draws to a close, the spirit that made you a part of John F. Kennedy High School will take on new dimensions. It will be manifested in whatever path you follow as the guiding force which directs your activities.

Leo A. Kaminski

Superintendent of Schools: LEO A. KAMINSKI

The Spirit

of Dedication . . .

HENRY M. ANDRZEJEWSKI

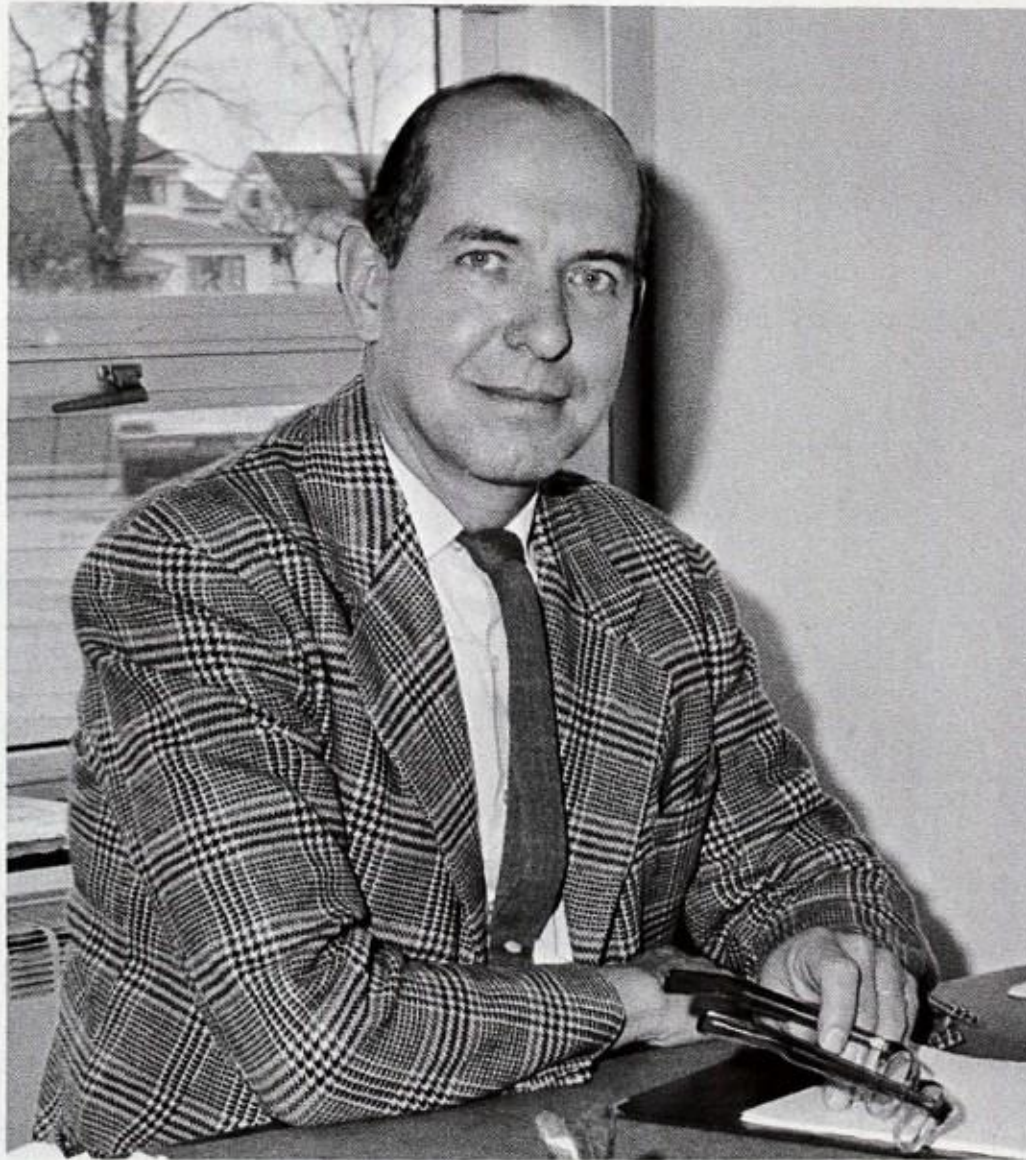

Message from the Principal

The spirit of a school is its personality — the quality that separates it from just any other school. For the past six years, you have been part of the Kennedy spirit. You have made up the athletic teams, produced the plays, supported the fund-raising activities, and pursued academic studies. Now you are ready to leave John F. Kennedy High School and go on to other things. Some of you will go on to college, others will go into industry or the business world, but wherever you go you will take part of the Kennedy spirit with you. You will always have a feeling of pride for your "old school" which the mention of its name will awaken.

Others will come to take your places as part of the Kennedy spirit, but you will become the real representatives of John F. Kennedy High School. It will be in your work, your attitude, your manners, that we will be judged. Thus you have a responsibility to fulfill. What you have become reflects upon the school that gave you your education. Remember this as you proceed to other fields and carry the Kennedy name with pride and honor.

Henry Andrzejewski

Assistant Principal

EUGENE S. NORTON

In this day and age school spirit seems to have lost much of its meaning. Our school bears an illustrious name. Let's not tarnish that name by our inaction or worse action detrimental to the spirit of John F. Kennedy. At sporting events, in assemblies, in the classrooms, at school dances, in our community, judgments are made to enhance the stature of our school or to detract from its great name. Which is it going to be? If we at John F. Kennedy have the proper school spirit, there can only be one answer.

Eugene Norton

JFK Clinches Crown

Division III Champs

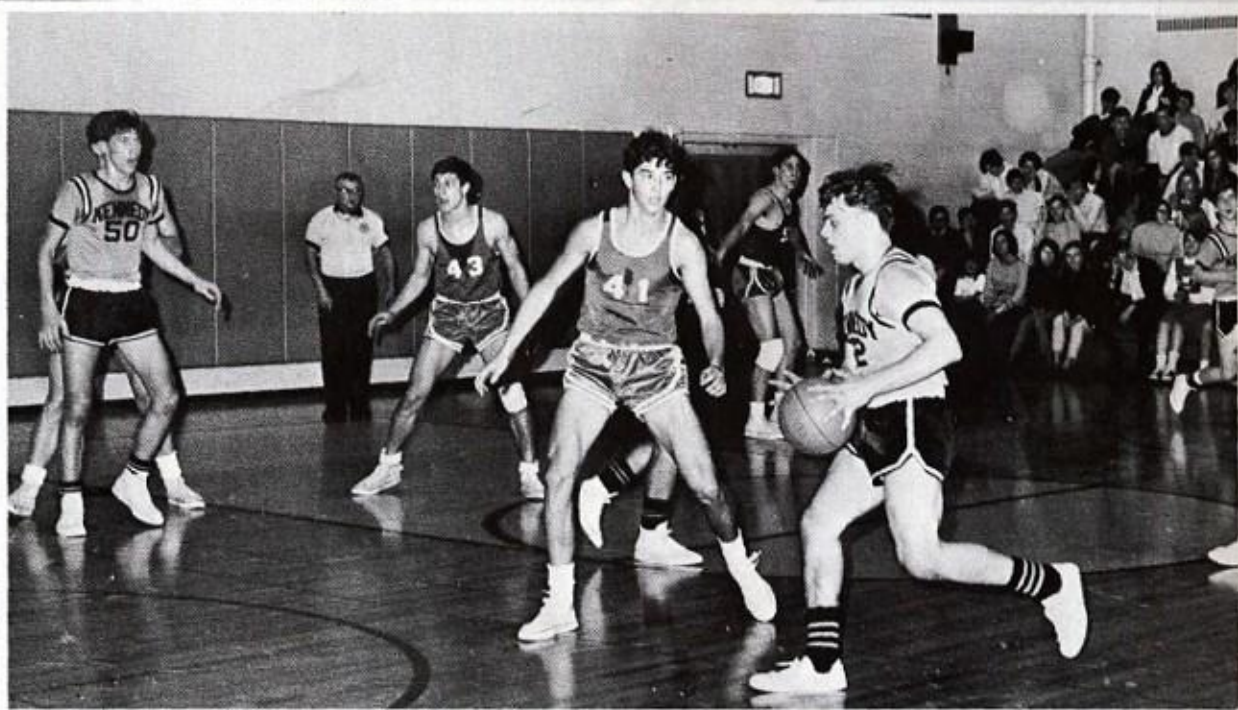

By JIM BAKER

The spotlight belonged to John F. Kennedy and Amherst Tuesday night as the Bears garnered the ECIC Division III basketball title and the Tigers registered the conference campaign's top upset by defeating Lackawanna.

Frank Pry's JFK quintet used considerable pass thievery and four double-figure scorers to win at Grand Island, 68-54. It was the 14th division win without defeat for the Bears.

Gardon Paces JFK

Bob Gardon was high for JFK with 18 points, but GI's Doug Townson had 25 for game honors. Dave Stoczynski, 17, Steve Sokolski, 15, and Ron Cendrowski, 13, also were instrumental in the JFK victory.

Work the ball in.

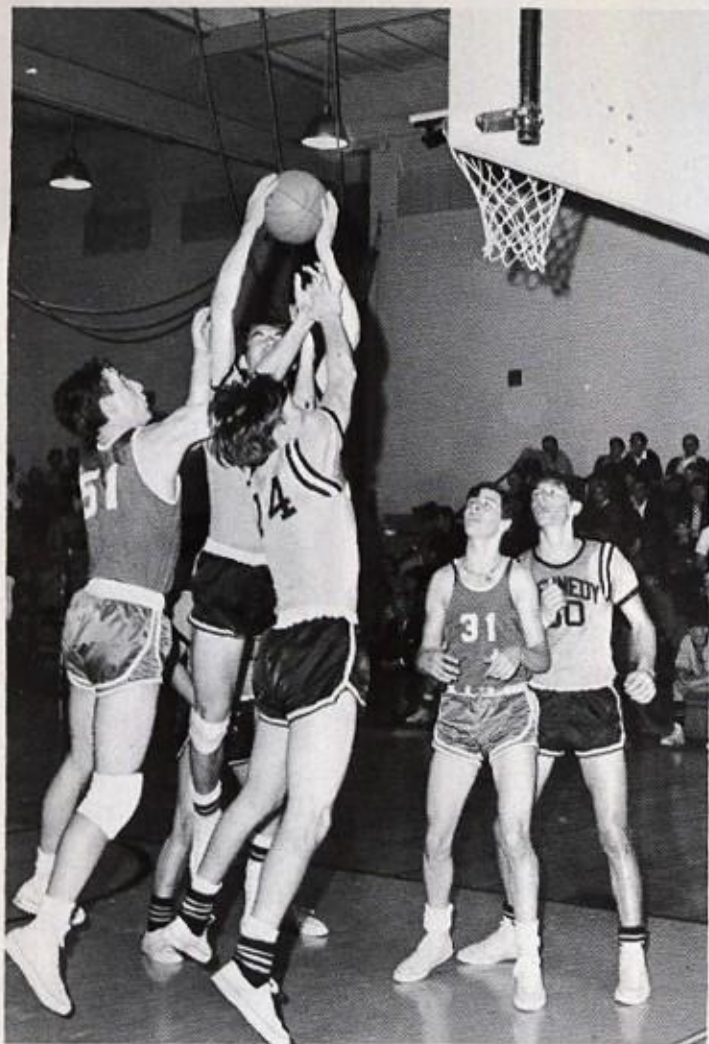

Foul?

Up for grabs.

Tight defense.

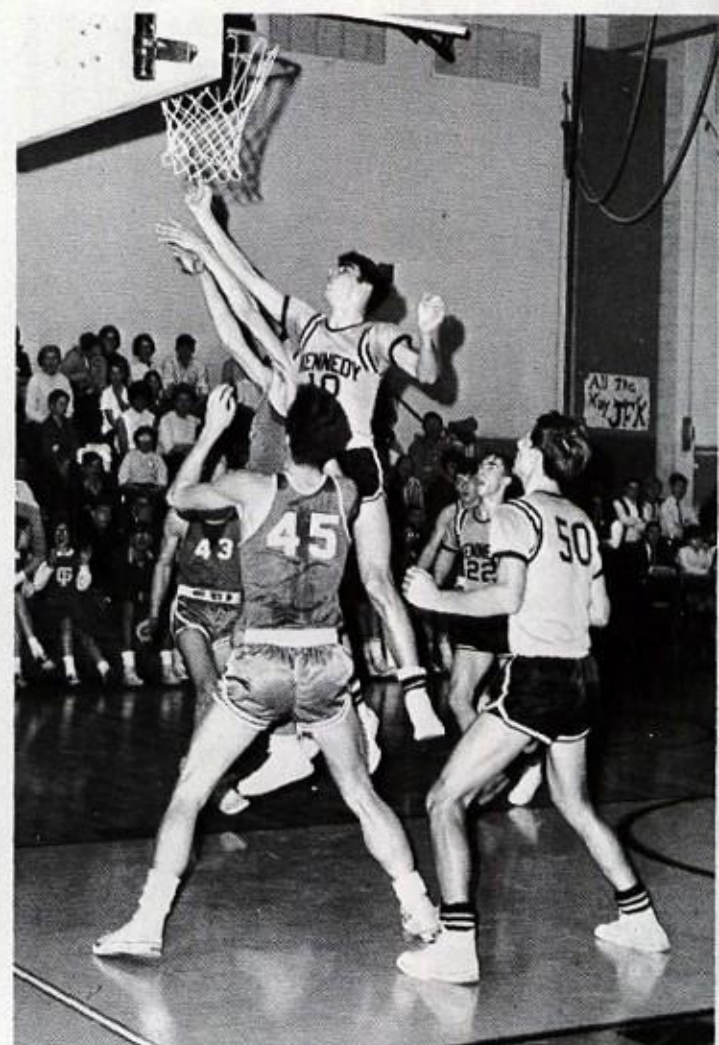

"Open your eyes!"

Zawadzki Leads JFK To Victory

By JIM BAKER

Mike Zawadzki has been the big baseball story at J. F. Kennedy this season and Monday was no exception. The senior lefthander starred on the mound and at bat in an 11-0 rout at Iroquois.

Zawadzki, who May 4 pitched one of the ECIC campaign's four no-hitters, struck out 12, walked three and limited Iroquois' hits to a pair of third-inning singles.

He also rapped one of Kennedy's two home runs. His came with the bases clear in the fourth. Mike Harlach followed with a two-run blast in the sixth.

The win was an important one, raising the Bears a half-game above Springville in the Division III title race. JFK is 6-1, Springville. 5-1.

"Let's go out there and win."

Coach Borsuk talks over strategy in a tight game.

"Out by a mile."

"Hey guys — Dig that babe in the right field stands!!"

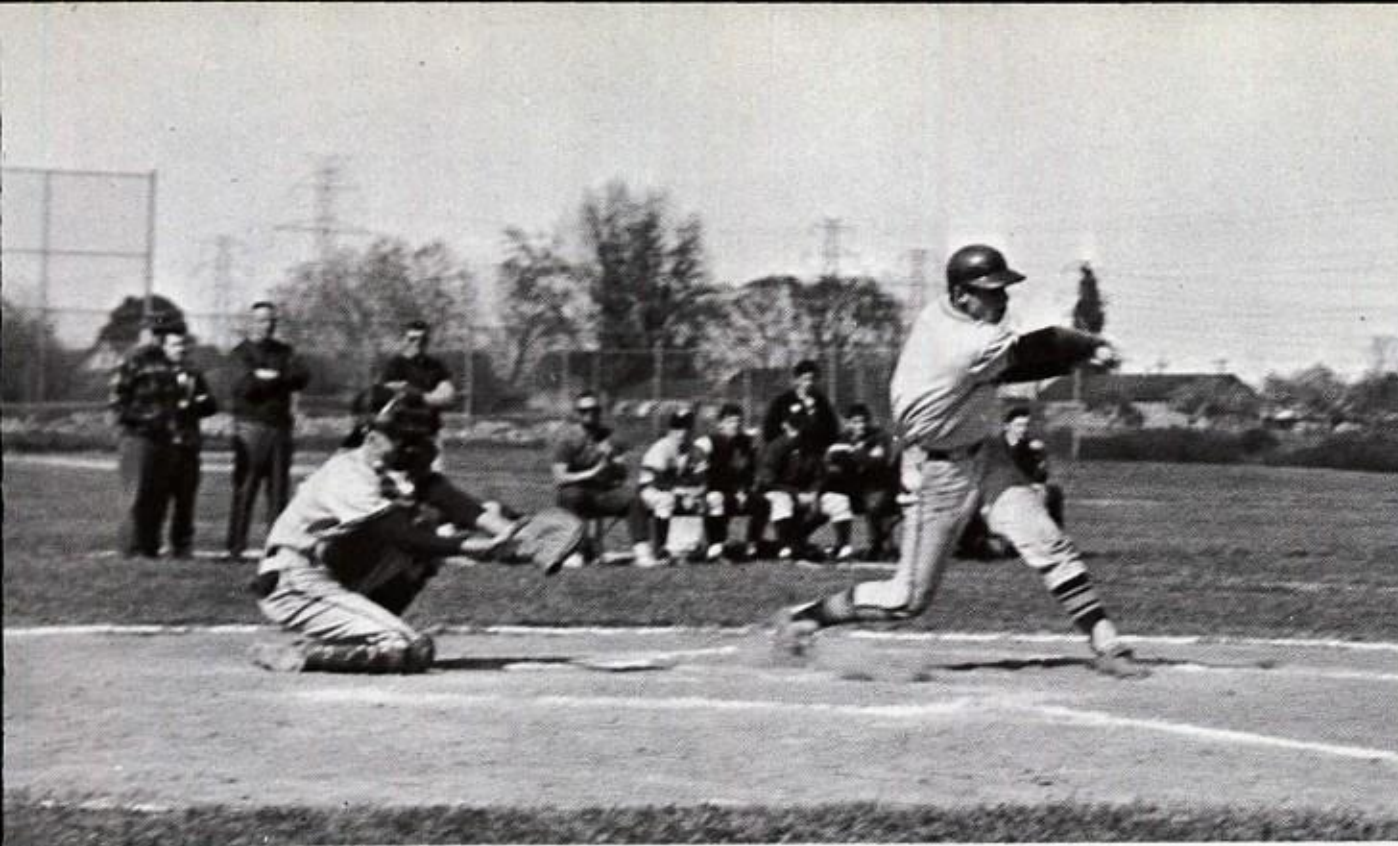

"Grit your teeth and get a hit."

"You sure it's only 90 feet?"

"Hurry up, I wanna hit already."

"Finally — I got it!"

Manager — Dan Szatkowski

"Get the lead out!"

Edmund E. Malanowicz

1910-1967

The 1968 Forum remembers a great man whom we all knew and loved — Mr. Edmund Malanowicz. When school commenced last September everything seemed the same to us but there was one important figure lacking — the cheerful and contented face of "Mr. Mal" was not seen in the halls of John F. Kennedy High School.

In this tribute to Mr. Malanowicz, we shall endeavor to recall the memories from the past that compose the immortal image of our late principal.

Ed Malanowicz was a big man — not only in physical stature, but also in personality. The fields in which he excelled were numerous and included athletics and education. Throughout his lifetime he worked for and with his fellow man.

Mr. Malanowicz was loved by his pupils, his teachers, and his former students and athletes. He

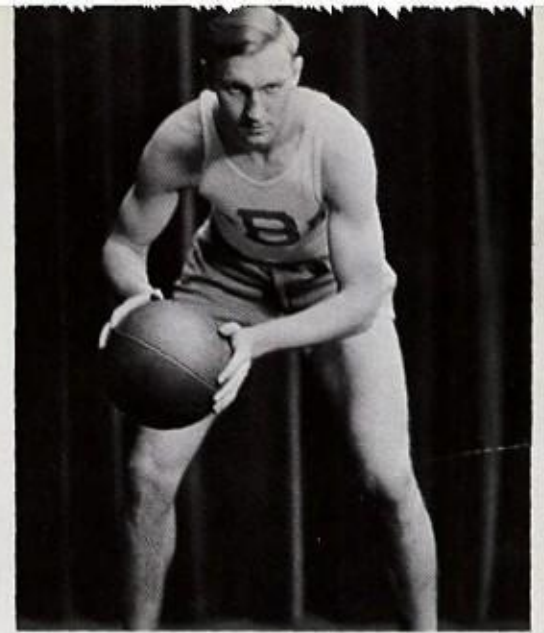

was like a father to his pupils, always willing to listen to their problems and to try to help reason them out. "Mr. Mal" held the respect and confidence of everyone at John F. Kennedy High School. His memory will always be one of the foundations of the Kennedy spirit.

His Old Teammates Praise Malanowicz As Coach, Player

By MAURY MAY

Ed Malanowicz was compared to the immortal Knute Rockne of Notre Dame and the late great Phog Allen of Kansas U., by one of his former great basketball players, George Glamack. Occasion was a testimonial dinner for Malanowicz attended by 600 persons Saturday evening in the Leonard VFW Post, 2000 Walden Ave.

Malanowicz, principal of J. F. Kennedy High School, was honored for his 30 years in coaching, teaching and administration work.

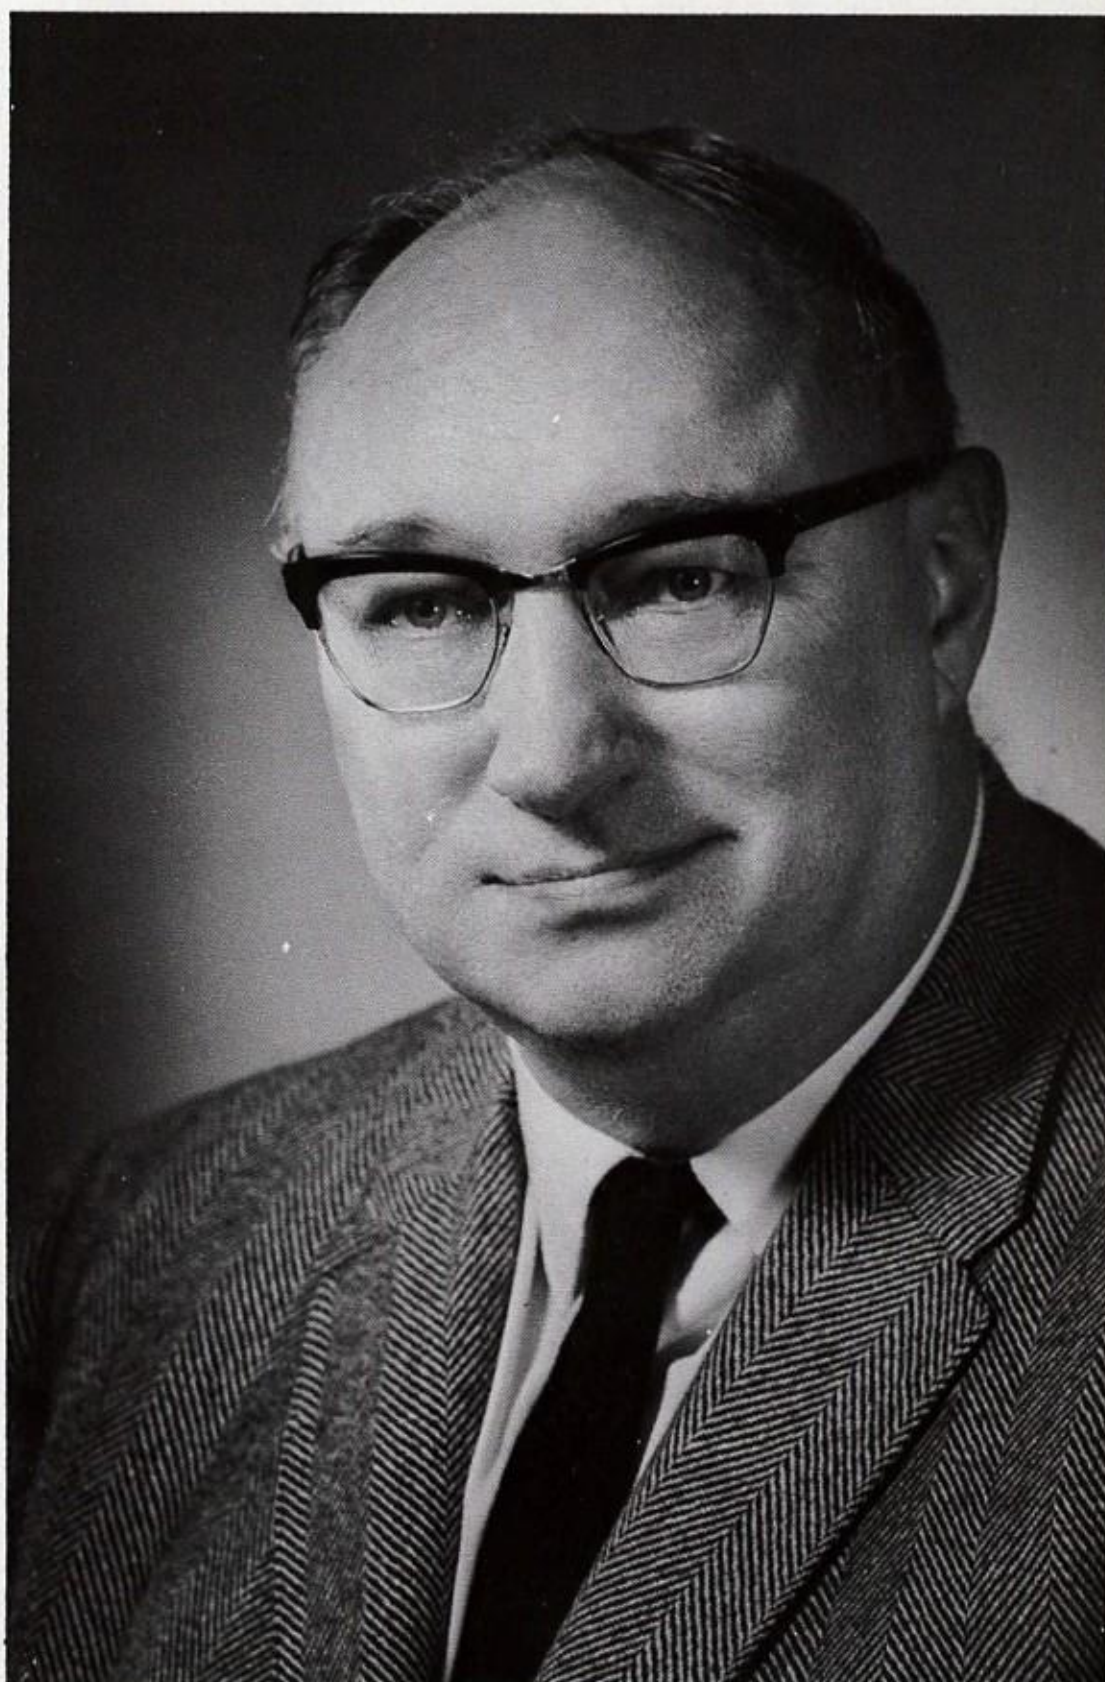

"He was the most underrated coach I've ever known. He was a psychologist, a master strategist and he knew the game better than anyone," said Glamack, who with Buffalo's Al Cervi, sparked the Rochester Royals to the Flower City's first pro cage title in 1945-46. Les Harrison, former owner of the Royals, also spoke with high praise of Malanowicz, who coached that title team.

Three members of the undefeated 1930-31 University of Buffalo basketball team, Len Schragg, Dr. Thomas Syracuse and Hal Dautch, also attended.

"I don't know of any team I admired more than that 1930-31 team, with Malanowicz the stalwart, at center. They were dedicated, loyal and always worked as a team," said Art Powell, who coached that UB club. Len Kosobucki, banquet chairman, presented an autographed basketball from the 1930-31 team to Malanowicz.

Bill Rodiek, president of the Erie County Interscholastic Conference and director of Health, Physical Education & Recreation at Hamburg High, praised Malanowicz for his work in athletics and education.
